Dear Administrator,

I am writing to provide feedback on the recent corporate training sessions I conducted at your esteemed institution. I must begin by expressing my appreciation for the warm welcome and the hospitality extended to me and my team. The vibrant ambiance and the beautiful potted plants that graced our surroundings were a delightful touch, setting a positive tone for our engagement.

The students we had the privilege to work with were remarkable - eager, enthusiastic, and highly respectful throughout our time at the college. Their dedication to learning and their receptiveness to our training sessions were commendable. We felt genuinely appreciated, and the camaraderie we experienced with the students and faculty was indeed noteworthy.

However, I would like to offer a subtle note of constructive feedback regarding the accommodation arrangements during our stay. While we understand the logistical challenges, there were minor issues with the accommodation that could benefit from improvement. Ensuring a comfortable and restful environment for visiting trainers can significantly enhance the overall experience for both parties involved.

Despite this minor concern, our overall experience was positive and productive. I look forward to the possibility of future collaborations and the opportunity to work with the talented students at your institution again.

Thank you for the privilege of working with your students, and for your attention to this feedback.

Warm Regards,

Ritika Saxena & Prashant Kumar Singh.

Subject: Feedback for the Life Skills Programme

Dear Sir,

It is with great pleasure that I inform you that the LifeSkills training conducted by your organization for the students for our college has been a remarkable success.

Upon the completion of the training, a lot of students personally came to me and informed me of the learning's they were able to take away from the workshop. Our college offers 2 streams of graduation to students- Home Science and Computer. We have strength of 160 students in their final graduation. About 80% of our students come from economically weak backgrounds where their parents are daily wage workers, drivers, tailors, etc. Almost 60% of our students expressed their wish to get a corporate job and therefore, attended the LifeSkills training. I feel immense pride to inform you that with the help of this workshop and mock interviews conducted by trainers, 90% of these students were selected to work at reputed MNCs.

Understanding the importance of these trainings in students' career journeys, we hope that you continue this fruitful partnership with our college and help more students achieve their dreams.

Yours Sincerely,

Ashtay

Report
on
Visit to Kapse Paithani

On 12/01/2024 a group of 49 students accompanied by 3 staff members visited Kapse Paithani, at Yeola. The visit began with the group reaching the destination at 8:00 AM.

At Kapse Paithani, students had the opportunity to witness the intricate work of handloom weavers. They observed the importance and functionality of handlooms in the creation of traditional sarees, gaining insights into the craft's cultural and historical significance.

One of the most engaging parts of the visit was participating in the initiative "Ek Dhaaga Shri Ram Ke Naam". Students contributed to the weaving process of vastra dedicated to Lord Shri Ram, making it a unique and memorable experience.

The students also learned about the different processes involved in saree-making, including the designing, dyeing, and weaving stages. This hands-on educational experience was both enlightening and enjoyable.

The visit was a blend of education and fun, leaving students with a deeper appreciation for India's rich handloom heritage. A special thanks to Kapase Paithani Foundation for giving this wonderful learning experience.
